This one day workshop will be beneficial for people who are potentially interested in developing a career as an Art Therapist. Whether you are starting to shape your professional path or want to change an established work career, this workshop will help you to find out if the profession of Art Therapy may suit your needs.

It may also be of interest to other professionals who want to be more informed about the practice of Art Therapy.

The workshop will include:

- A presentation on the background of Art Therapy and a guide to some of the theoretical underpinnings of Art Therapy.
- A case study and examples of Art Therapy in practice.
- An experiential workshop. No previous experience of art-making is required.
- Information and guidance on how to pursue a career in Art Therapy.
